

DOGGY DAYCARE & BOARDING

REQUIREMENTS

TO ENSURE YOUR FUR-BABY HAS A FUN AND SAFE TIME AT HAPPY TAILS, WE WILL REQUIRE THE FOLLOWING:

- YOUR DOG MUST BE A MINIMUM OF 6 MONTHS TO ATTEND DAYCARE & BOARDING AND MUST HAVE ALL THEIR VACCINATIONS. (PLEASE KEEP IN MIND DISEASE PROTECTION DOES NOT BEGIN UNTIL 5 DAYS AFTER THE VACCINATION IS ADMINISTERED AND FULL PROTECTION USUALLY TAKES UP TO 14 DAYS AFTER THE VACCINATION IS ADMINISTERED.) WE WILL ASK THAT YOU BRING US A COPY OF YOUR DOG'S SHOT RECORDS FOR VERIFICATION.

VACCINES REQUIRED:

- RABIES
- BORDETELLA
- DHLPP
- NEGATIVE FECAL
- FLEA PREVENTATIVE

- YOUR DOG MUST BE SPAYED OR NEUTERED. SPAYING & NEUTERING HELPS WITH BEHAVIOR AGGRESSION WHICH WILL CAUSE LESS CHAOS WITHIN THE PACK.

- IF YOUR DOG BECOMES ILL WHILE ATTENDING DAYCARE (DIARRHEA OR VOMITING) WE WILL QUARANTINE YOUR DOG TO REDUCE THE RISK OF THE OTHER DOGS BECOMING SICK. WE WILL THEN CALL YOU AND ASK THAT YOU PLEASE COME AND PICK UP YOUR DOG. IF YOUR DOG IS ILL WITH A COMMUNICABLE DISEASE (EXAMPLE: KENNEL COUGH), WE WILL ASK THAT YOU SEND US A NOTE FROM YOUR VETERINARIAN STATING THAT THEY ARE IN GOOD HEALTH BEFORE COMING BACK TO OUR FACILITY. ALSO, IF YOU NOTICE THAT YOUR DOG IS BECOMING SICK (EX: SNEEZING, COUGHING, HAS DIARRHEA OR VOMITING), PLEASE KEEP YOUR DOG AT HOME SO THAT DISEASE IS NOT SPREAD THROUGHOUT THE FACILITY AND PASSED ON TO THE OTHER DOGS. A HEALTHY & CLEAN FACILITY IS A HAPPY FACILITY!

- YOUR DOG MUST COME IN FOR AN EVALUATION AND PASS A TEMPERAMENT TEST IN ORDER TO ATTEND DAYCARE AND BOARDING. TEMPERAMENT TESTS ARE DONE MONDAY-SATURDAY DURING OUR BUSINESS HOURS AND MUST BE MADE BY APPOINTMENT. WE ONLY SCHEDULE THREE TEMPERAMENT TESTS PER DAY. WE ASK THAT YOU DROP YOUR DOG OFF BEFORE 9:00AM AND PLEASE PICK HIM/HER UP BY OUR CLOSING TIME OF 6:00 PM. EVALUATIONS & TEMPERAMENT TESTS ARE FREE OF CHARGE!

WHAT IS A TEMPERMENT TEST?

A TEMPERAMENT TEST MEASURES A DOG'S REACTION OR BEHAVIOR TO VARIOUS ELEMENTS PRESENTED TO THEM. WE WILL DO A SERIES OF EXERCISES WITH YOUR DOG SO TEMPERAMENT TEST TAKE ABOUT 2 HOURS TO COMPLETE. AFTER THE EVALUATION IS COMPLETE, WE WILL CALL YOU TO LET YOU KNOW HOW YOUR DOG DID!
